# MESSAGE in a BOTTLE

You're stuck on an island and things are getting pretty boring out here on your own! Write a message about who you are, where you are and what you've been up to so someone can come rescue you.

ILLUSTRATION: SHUTTERSTOCK

DID YOU KNOW?

Back in the day, people put messages in bottles and threw them into the sea. They hoped someone would find it, read it and respond. Did it work? Not really...
